MEMORANDUM FOR THE RECORD

Morning Meeting of 7 May 1968

ADD/I reported that Secretary Rusk was briefed last evening on the Memorandum to Holders of NIE 11-14-67. Secretary Rusk plans to raise this subject with the Director today at lunch.

The Director indicated his desire for another report on yesterday's BLACK SHIELD mission over North Korea in order to clarify statements concerning the amount of cloud cover.

Godfrey reviewed military developments in South Vietnam over the past forty-eight hours and reported that North Korea has announced the capture of an infiltration team in the DMZ.

Godfrey discussed procedures for keeping track of information needed during the Vietnam negotiations and obtained the Director's permission to computerize negotiations data provided it is done on a strictly compartmented basis.

DD/ONE informed that, as requested by General Carroll at USIB last Thursday, ONE is proceeding with the production of an SNIE on the likelihood of hostilities in Korea.

DD/S reported on discussions of plans of the Federal and District Governments in connection with the Poor People's Campaign.

DD/S noted that Admiral Taylor will host a luncheon today with AMA staff officers and that Dr. Rhoads, the new U. S. Archivist, and Dr. Howard Ehrmann will address the annual conference of agency records management officers today.

SECRET EYES ONLY

Carver received the Director's approval to circulate to Bill Bundy's Harriman back-up committee the Agency paper prepared yesterday on negotiations.

X1 Maury noted discussions with Representative Ford on the Agency's [redacted] reductions, with Representative Lipscomb on the Soviet whaler Druzhnyy, and with Phil Kelleher on the cost-of-living adjustments for retirees under the CIA system.

Maury reported that according to Bob Michaels our House Appropriations Subcommittee plans to hold budget hearings next week.

Maury reported that Cord Meyer briefed Bill Darden on the future of the large radio projects as a result of the Rusk Committee report.

Executive Director asked Maury and Warner to make inquiries and ascertain the impact on CIA should the proposed Congressional resolution to cancel previously authorized expenditures go into effect.

DDCI discussed our policy on the classification of papers provided to Congressional members and staffs and mentioned the discussion at lunch yesterday with Messrs. Conway and Murphy of the JCAE staff.

The Director commended all who contributed to the paper on CIA retirement policy.

In response to Goodwin's query, the Director asked him to work out arrangements with AP and UPI for providing to the news services in the field information on North Vietnamese announcements.
